BEYOND THE TASTE, OUR RESPONSIBLE COMMITMENTS

OUR N°1 COMMITMENT IS THE ORIGINAL TASTE : it is the taste of a fruit that nature gives us when we do respect it. We source exceptional fruit, harvested when ripe and processed with care as close as possible to the orchards, as quickly as possible.

BRINGING YOU THE ORIGINAL TASTE IS OUR QUEST, BUT OUR JOB NO LONGER STOPS THERE : we have new ambitions and intend to give substance to strong commitments to make Ponthier a company with impact.

Certified

B Corp is an internationally recognized label, now considered the most comprehensive in terms of social and environmental impact. Because our achievements are significant, we were able to obtain an overall score of 105.9 points on the B Impact Assessment. Joining the B Corp community means striving to be better businesses FOR the world, not just the best businesses IN the world.

We publicly affirm our mission as well as our social and environmental objectives: contribute to the developing expertise and knowledge about fruit to preserve its original taste and enhance its benefits, contribute to social progress within our organisation and with our stakeholders and contribute to reducing the environmental impact of our activity's value chain.

Pure Trace® is a label created by Ponthier. PURE stands for ensuring products are free from pesticide residues. In 2024, 60 % of the purées and crushed fruit range are labeled PURE, and we aim for 80%. TRACE means ensuring traceability to the producer collector and their locality. In 2024, 58.3 % of the purées and crushed fruits range are labeled TRACE, and we aim for 100%.

ADVOCATING DELICIOUS, HEALTHY AND RESPONSIBLE FRUIT. Our mission has emerged from our desire to take action. We commit to inspire and be inspired by our employees, producers, customers, and partners. The fruits processed in our workshops make a sustainable contribution to Human well-being and Nature conservation.

SCIENCE
BASED
TARGETS

Our trajectory to reduce greenhouse gas emissions across scopes 1 and 2 is endorsed by SBTi, an organization that encourages companies to establish decarbonization goals. The SBTi target for SMEs by 2030 is a minimum reduction of 33.6% across scopes 1 and 2 (direct activities). Our objective is to achieve a 68% reduction.

Ourscope3(indirect activity) decarbonisation trajectory follows the ACT Step by Step methodology for agriculture and agrifood to achieve a 23.2% reduction in our emissions intensity by 2030. We are working on our sourcing and freight footprints as a priority.

TOGETHER, LET'S CONTRIBUTE TO THE DEVELOPMENT OF EXPERTISE, PROMOTE SOCIAL PROGRESS, AND PRESERVE THE EARTH AND ITS RESOURCES.
